

XVII AISV Conference

**Speaker Individuality in Phonetics and Speech Sciences:
Speech Technology and Forensic Applications**

Zurich, 4-5 February 2021

Phonetics Laboratory, Department of Computational Linguistics
Centre for Forensic Phonetics and Acoustics

Third Circular (8 January 2021)

1. CONFERENCE REGISTRATION

We would like to remind you that at least one author of each accepted paper (both oral and poster presentations) is required to pay the registration fee. Ordinary members only pay the annual AISV membership fee (50 €). Participation for students and PhD students without a scholarship is free of charge. In addition, anyone who is interested in attending the conference is required to register by 15 January 2021. The registration can be done exclusively online via the following link:

<https://www.aisv.it/en/aisv-conferences/registration-to-aisv2021-conference.html>

We remind you that the registration is valid only after you send the payment receipt to the AISV secretary's office (segreteria@aisv.it). Further details will be provided during the registration process.

2. ACCESS TO THE ONLINE CONFERENCE PLATFORM

Before the end of January everyone who has registered for the conference and sent the payment receipt will receive an email containing instructions on how to access the platform hosting the online event.

3. CONFERENCE PROGRAMME AND ABSTRACTS

The conference programme and the book of abstracts are now available on our conference website:

<https://www.cl.uzh.ch/en/aboutus/events/AISV2021/Programme.html>

4. PARTICIPATION IN THE SATELLITE WORKSHOP

Participation in the workshop on *Automatic and Semiautomatic Speaker Recognition*, held on February 3, is open to everyone and free of charge. It is possible to register for the workshop without being registered for the conference, but the conference registration does not automatically provide access to the workshop. Registration for the workshop is only possible by sending an email to the organising committee (aisv2021@gmail.com) by 31 January.

5. ORAL PRESENTATIONS AND POSTERS

Authors of oral presentations or poster presentations will receive an email with all necessary instructions before the end of January.

6. FRANCO FERRERO AWARD

Anyone wishing to apply for the *Franco Ferrero Award* (<https://www.cl.uzh.ch/en/aboutus/events/AISV2021/Franco-Ferrero-Award.html>) is kindly asked to notify the organizing committee (aisv2021@gmail.com) by 16 May 2021.
