

Welcome Program for Exchange Students Spring Semester 2024

Dear Students,

Welcome to the University of Zurich (UZH)!

In order to make your arrival in Zurich and at our university as smooth as possible for you, we would like to invite you to our Welcome Program!

Welcome Program

The events organized by our office are highlighted in blue. For other events that are organized by a faculty/department, student associations or the Language Center, please contact them directly.

Please note that the participation in **EITHER** the Information Session on Monday, February 5, **OR** Friday, February 16 is **mandatory** for all exchange students and that attendance will be checked. The content of both Information Sessions is the same. Please sign up using the links in the table below.

We also really recommend participating in the Intercultural Workshop on Thursday, February 15. You will gain an insight into Swiss culture and, hopefully, acquire some tools that will help you to a happy and successful start into your exchange stay. The sign-up link for the Intercultural Workshop will be sent to you closer to the event.

In due time you will also receive other sign-up links for further events organized for you. Places for these events are limited and will be allocated on a first-come, first-served basis.

After you collect your scholarship form at our office in room KOL-E-17 in the UZH main building, you will then need to go to the UZH cash desk right away to get the scholarship money in cash.
