

Case List in European Economic Law

Besides the ordinary exam at the end of the term students have to deliver a presentation during the course. Each student must present one case of the following list in a critical way.

- Allocation:* You can make a choice for the allocation of a case from the list of Prof. Weber and of Prof. Heinemann by sending an email to lst.weber@rwi.uzh.ch not later than September 24, 2014. Please take into consideration that you are not entitled to your requested case since an equal allocation of cases is necessary.
- Presentation time:* 5 – 10 minutes
- Slides:* 2 – 3 slides
- Abstract:* 1 page abstract
- Final grade:* The presentation does not count for the final grade. However, if a student decides not to hold a presentation, there will be a grade reduction of 0,3 in the final exam.
