YOUTUBE CHANNEL

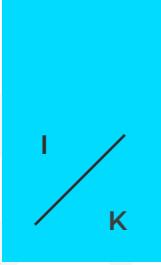

2017-present

Creator and leader of the theological YouTube channel "Graphe"

In 2017 I created the YouTube channel "Graphe" (from the Greek word γραφή - Scripture). The channel is available both in Russian (8023 subscribers) and Ukrainian (4150 subscribers) languages. On the channel, I constantly publish lectures on complex biblical texts in an academic style. The videos have received over 750,000 views in total.
