

Doctoral Agreement

For the Veterinary Medicine Doctoral Program Focus on Natural Sciences (Dr. med. vet.)

Doctoral thesis [Provisional title of the thesis]

Schedule and Milestones

Responsibilities and signatures

The academic supervisor of the thesis agrees to take responsibility for the project and to supervise the student during all phases of the project, i.e. from the initial planning to its completion, i.e. including the study design, the practical part, data analysis and writing. The academic supervisor is responsible for the salary of the candidate, at least during the duration of the thesis (~12 months).
