

Research Seminar in the Masters`s Program

Attendance of two research seminars are mandatory during the master`s degree. It is possible to attend the same seminar for two semesters, or to attend two different seminars during one semester.

Before starting the Master Thesis, agree with your supervisor which research seminar best suits the topic of your master thesis.

Please submit this form once you have attended the two seminars.

First name	_____
Last name	_____
Students ID number	_____
Specialization	<input type="checkbox"/> PHY447 Research Seminar Condensed Matter <input type="checkbox"/> PHY497 Research Seminar Particle Physics <input type="checkbox"/> AST547 Astrophysics and Cosmology <input type="checkbox"/> PHY597 Bio and Medical Physics

First Seminar

Seminar	_____
Semester	_____
Date	_____
Signature Organizer	_____

Second Seminar

Seminar	_____
Semester	_____
Date	_____
Signature Organizer	_____

Please submit it to:
Anna Troller, Study Coordination Physics & Computational Science
Winterthurerstrasse 190, 8057 Zurich
Office Y36-K-50, Phone: 044 635 58 11, E-Mail: studium@physik.uzh.ch
